Subject: Informational meetings and listening sessions for Willamette mercury variance

Hi Lindsay:

I wanted to provide you details for the informational meetings that we are having with stakeholders about the Willamette Basin Mercury Multiple Discharger Variance. The meetings are occurring on Tuesday August 21 and Monday August 27 from 1:30-3:30. The first half of the meetings will be the same, but because the first is geared towards the regulated community and the second for environmental and fishing groups. There also will be a third one in early September specifically for our Tribal partners.

The in-person meeting will be held on the 3rd floor conference room at DEQ's headquarters, 700 NE Multnomah St., Portland, OR 97232. The Webinar address is <https://connect9.uc.att.com/service32/meet/?ExEventID=81910322>, participant code: Ex. 5 Personal Privacy (PP) audio Ex. 6 Personal Privacy (PP)

Please let me know if you have any questions.

Sincerely,

Aron Borok
